COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, JUNE 14, 2002

APPLICATION OF

VIRGINIA GAS PIPELINE COMPANY

CASE NO. PUE-2001-00359

For an Annual Informational Filing

ORDER

In its Order entered on January 28, 2002, the State Corporation Commission ("Commission") authorized Virginia Gas Pipeline Company ("VGPC" or the "Company") to file its 2001 Annual Informational Filing ("AIF") using a test period consisting of the nine (9) months beginning January 1, 2001, through September 2001, for all of its AIF Schedules with the exception of Schedules 9, 10, and 12, by no later than May 31, 2002. Our January 28, 2002, Order directed VGPC to file Schedules 9, 10, and 12, using the twelve months ending September 30, 2001, as the test year for these schedules by no later than May 31, 2002.

On June 5, 2002, VGPC filed its AIF for the year 2001. On June 7, 2002, VGPC, by counsel, filed a motion requesting that its filing be received out of time. In support of its request,

Effective April 9, 2002, the new Case Management System requires that the case number format for all Commission orders change from, e.g., PUE010663 to the following: PUE-2001-00663.

VGPC alleges that it was unable to file its 2001 AIF on May 31, 2002, because of the extenuating family circumstances experienced by its regulatory compliance officer. VGPC advised that the Commission Staff did not oppose the receipt of this filing out of time.

NOW, UPON CONSIDERATION of VGPC's June 7, 2002, Motion, the Commission is of the opinion and finds that VGPC's request to receive its AIF out of time should be granted, subject to a further determination that the documents accompanying VGPC's AIF are complete and subject further to VGPC completing Schedules 9, 10, and 12, by providing data for the twelve months ending September 30, 2001, as we directed in our January 28, 2002, Order Granting Further Extension.

Our inspection of Schedules 9, 10, and 12 indicates that these schedules have not been prepared for the twelve months ending September 30, 2001, but instead include only the financial and operating data for the nine months ending September 30, 2001. Consequently, we will accept the data delivered by the Company to the Commission on June 5, 2002, out of time but will not declare the filing complete until such time as VGPC files Schedules 9, 10, and 12, using the twelve months ending September 30, 2001, with the Clerk of the Commission, as it was directed to do in our January 28, 2002, Order and until the entire filing can be reviewed for completeness.

Accordingly, IT IS ORDERED THAT:

(1) VGPC's 2001 AIF delivered to the Commission on June 5, 2002, shall be accepted for filing out of time subject to the further review of the entire application for completeness.

(2) This matter shall be continued pending further Order of the Commission.
